

## **Public Transit Operator**

Bow Valley Regional Transit Services Commission (BVRTSC) is looking to add more Public Transit Operators to our team. We bring mobility to both tourists and locals looking to enjoy the Bow Valley without the use of a private vehicle. We pride ourselves in offering the best customer service possible and providing a dependable and valuable service. Our team members make an impact in our communities every day. They constantly work towards being as responsive as possible to our customers, by embracing technology and reacting quickly to transit issues, trends, and solutions.

### **Qualifications:**

- Familiarity with Banff, Canmore, and the Bow Valley
- Excellent communicator
- Availability to work a variety of shifts including split days, nights, evenings, weekends and holidays
- Customer service focus for working professionally with the public
- Possess (at a minimum) a valid class five motor vehicle operator's license (non-probationary and non-graduated status) for three consecutive years. Ideally, applicants already possess a valid class 2 or class 4 motor vehicle operator's license
- Legally able to work in Canada

### **Responsibilities:**

As the Summer season comes around, BVRTSC is preparing to hire for full-time and part-time hours. We are looking for people who love operating large equipment, enjoy working both independently and in a team, and above all else are committed to treating customers with respect, tact and diplomacy. Transit operators are responsible for the safe operation of a variety of transit vehicles and must follow schedule guidelines, sometimes under adverse weather and traffic conditions and challenging circumstances.

### **Rewards**

Remuneration for qualified BVRTSC Transit Operators starts at \$25/hr and increases to \$26/hr following a 90-day probationary and learning cycle. In an effort to attract and retain the most qualified candidates for our team, qualified operators that start this spring and stay until fall would receive backpay of \$1/hr for the 90-day probationary and learning cycle. See our Recruitment and Retention Plan on the Roam website.

Renumeration for BVRTSC Transit Operators without class 1 or 2 licenses can include full license upgrade training through Roam's Alberta Government licensed MELT training facility as part of your hire.

Becoming a Roam Transit Operator with BVRTSC comes with the following benefits and advantages:

- Paid training through Roam's licensed MELT training facility
- Full pension and medical benefits for permanent full-time employees
- Your area of operation is all within the Bow Valley; which means you're home every night
- Active Living Purchase Assistance Loan Program
- Roam Public Transit pass
- Cell phone contribution
- Flexible scheduling
- Employee Referral Program
- Accommodation is available

### **Heads up!**

Applicants selected for an interview will be asked to provide a current driver's abstract (dated within 14 days of the interview). There must be no suspensions and no more than three demerits recorded over the previous two-year period (must be provided at the interview). They must also meet the physical requirements of the job, which include operating bus controls and providing assistance to passengers with wheelchairs or strollers. All successful applicants will be required to provide a criminal record check as a condition of employment.

### **To Apply:**

To apply, send your resume to [careers@roamtransit.com](mailto:careers@roamtransit.com). We thank all applicants for their submissions, but only those deemed qualified by our hiring manager will be contacted. No phone calls please.

This posting qualifies for BVRTSC's Employee Referral Program.
