

Bow Valley Regional Transit Services Commission

Job Title

Transit Cleaning Crew Member

Job Location

Roam Fleet Storage Building – 111 Hawk Ave. Banff, AB.

Position Summary

This is a multi-functional position providing bus cleaning, bus fluid top ups, bus driving within the Roam storage compound, and weekly/bi-weekly office cleaning.

Roam buses returning to the storage garage require nightly cleaning using Roam's state-of-the-art bus washing system. This position is required to safely move buses into the wash lane, operate the Westmatic bus wash machine, perform interior sweeping/mopping as required, sanitizing of buses using medical grade fogging machines, emptying of fareboxes and parking of buses within the storage garage lanes. No fueling is required, however topping up of washer fluid, some engine fluids and plugging in electric buses is required.

Office cleaning would include floors, and general office cleaning.

This position works evenings until approximately 1:00 AM.

Responsibilities

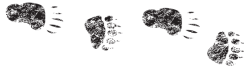

- Safely operating buses within an enclosed environment as well as outside within the Roam storage compound.
- Responsible for the overall cleanliness and sanitizing of all Roam buses and general upkeep of the cleanliness of the entire indoor storage area.
- The 'dumping' of fareboxes from buses into secure storage facility (no direct access to cash required).
- Weekly cleaning of the Administrative portion of the building. Including offices, staff area, washrooms and showers.
- Additional duties as required.

Qualifications/Education

- High school diploma is required.
- Successful candidate requires proper licensing to operate transit buses within the Roam compound property.
 - At minimum either Class 5 or Class 3 with air brakes certification
 - If needed air brakes certification training may be provided for appropriate candidate.

Experience

- Should have experience operating/moving large vehicles.

- Working alone or under minimal supervision.
- Physically demanding job requiring some moderate lifting, bending, reaching, kneeling etc.

Knowledge, Skills, and Abilities

- High attention to detail.
- Should be mechanically inclined, always keep safety top of mind, and be able to work under minimal supervision.
- Ability to work within a team environment.
- Ability to safely lift and maneuver heavy items up to 30lbs.
- Must be dependable and able to work nights into early morning (1AM).

Compensation

Part-time hours in Fall/Winter/Spring, expanding to additional hours during summer.

\$19.00 - \$21.00 per hour

Required hours of work will be evenings, nights, and weekends, with finish time approximately 1:00 AM.

Vacation pay will be calculated and added on to each pay cheque.
