

Interior Bus Detailer

The Bow Valley Regional Transit Services Commission (BVRTSC) is looking to add an Interior Bus Detailer (Lead Support) to our team. We bring mobility to both visitors and residents looking to enjoy the Bow Valley without the use of a private vehicle. We pride ourselves in offering the best customer service possible by providing a dependable and valuable service. Our team members make an impact in our communities every day. They constantly work towards being responsive to our customers, by embracing technology and reacting quickly to transit issues, trends, and solutions.

Position Summary

Under the direction of the Lead Bus Detailer or Interior Bus Detailer Lead Support this multi-functional position is responsible for various aspects of cleaning. This may include but is not limited to the interior of buses, the wash bay, the interior of the administrative portion of the building, and some outdoor cleaning. This position does not require any operation of the buses or the automatic exterior bus washer. Cleaning duties may include but are not limited to interior sweeping/mopping of the bus, sanitizing of buses using medical grade fogging machines, emptying of fareboxes, cleaning windows, detailing drivers' area, and wash bay sweeping.

Responsibilities

- Responsible for the overall cleanliness and sanitizing of all Roam buses and general upkeep of the cleanliness of the entire indoor storage area.
- The emptying of fareboxes from buses into secure storage facility (no direct access to cash required).
- Additional duties as required by lead detailers or operations staff.
- Shifts start between 5:00PM - 6:00PM and end at approximately 1:00AM.
- Transit operates 7 days a week, Interior Bus Detailers are required nightly to support the operation of transit services. Shifts will be scheduled based on operational needs and employee availability.

Qualifications/Education

- High school diploma is required.

Experience

- Working independently or under minimal supervision.
- Working as a part of a team
- Working in a physically demanding job requiring some moderate lifting, bending, reaching, kneeling etc.
- Cleaning experience preferred, but not required.

Knowledge, Skills, and Abilities

- High attention to detail and quality
- Should be mechanically inclined, always keeping safety top of mind
- Ability to work within a team environment with common goals
- Ability to safely lift and maneuver heavy items up to 50lbs (infrequently).
- Must be dependable and punctual

What We Offer

- Part-time hours in Fall/Winter/Spring, expanding to additional hours during summer.
- \$20.00 - \$21.00 per hour
- 6% vacation pay, paid out each pay period
- Health Spending Account
- Roam Public Transit Pass

Job Location

Roam Fleet Storage Building - 111 Hawk Ave. Banff AB.
